“ I stand in support with my long time friend Chastity Joiner as she mourn the loss of her soul mate. Aaron was always pleasant and happy whenever I seen him. Such a joy and full of laughs. May God love cover the Womack family and my friend Chastity Joiner during this difficult time.

“ I'm already thinking how your not going to call work and ask for Chas, like you always did. I took hearing your voice for granted, but now it's memories that will stay with me always. You will be truly missed.

“ Shed tears of joy for Aaron, he is in a deep sleep. God is the only one that can awaken him. Know that during this time of loss God sees and feels for you and all who loved and cared for your loved one. My prayers are with all of you, that you find comfort and strength thru the reading of the Bible. May all find peace.
