

Michael Anthony Joyner

May 20, 1962 - April 2, 2019

Michael Anthony Joyner was born into a loving family on May 20, 1962 in Chicago, Illinois. His father Arthur and mother Ora Lee, welcomed their fourth child into their growing family.

At an early age it was evident that Michael was smart – beyond his years. He attended both Lindblom and Jones Commercial High Schools and obtained his degree in Accounting from DePaul University.

Michael was raised as one of Jehovah`s Witnesses and attended meetings and conventions with his family for many years, though he did not become one of Jehovah`sWitnesses.

Always displaying the entrepreneurial spirit, Michael worked in corporate America only a few years. In 1986 he started his own Tax Accounting Business-Joyner & Associates. His business grew over the years and he loved working for himself. Just two days before his death, Michael was meeting with clients to review their taxes.

Michael also took an interest in mentoring young people that he felt had potential. He was a big brother and even a father figure for many.

Always the most loyal Chicago Cubs, Bears, Bulls and Blackhawks fan, Michael went to games as often as he could. Michael traveled extensively and was known for treating his family and friends to many vacations and get-aways.

Michael is preceded in death by his mother Ora Lee, his father Arthur and sister Arthurene.

Michael is survived by his siblings Otis (Dinita), Carolyn (Robert), Patricia (Carlos), Eric (Tonya), Timothy, and Kymberly; his nephews Caleph, Elliot, and Devin; his nieces Tarin, Shelby, and Leah; his longtime special friend Ms. Della White; and a host of aunts, uncles, cousins and friends.
