

Victor McGuire

December 14, 1955 - April 24, 2020

Ecclesiastes 7:1 - A good name is better than precious ointment; and the day of death than the day of one's birth.

Victor McGuire, lovingly known as Vic, was born December 14, 1955 in Chicago, Illinois to Paul and Gloria McGuire. He was the youngest of two sons born to Paul and Gloria.

Victor grew up on the southside of Chicago. He attended Burnside Elementary School and, upon graduation, attended Chicago Vocational High School. He later attended DeVry Institute of Technology.

Victor was a dedicated employee of Honeywell. He was employed as a Master Electrician. Last year (2019), Victor celebrated 40 years of service at Honeywell.

Victor was loved by his family, friends, and coworkers. Dallis Anderson was one of his best friends of over 40 years. Victor enjoyed family gatherings and going bowling, among other things.

Victor was preceded in death by his father, Paul McGuire; mother, Gloria McGuire; and brother, James McGuire Sr. He departed this life on April 24, 2020.

He leaves to cherish his memory, his loving aunt, Shirley Doss; nephew, James McGuire Jr. (Chamiel); niece, Paula Rowe (Anthony); three great nieces, Skylar, Lauren and Simone; one great nephew, James; one great-great nephew, Zy'aire; sister-in-law, Brenda McGuire; adopted niece Michelle McGuire; one Godson, Daylan Austin Anderson; and a host of loving cousins, and friends.

Gone but never forgotten... Alive in our hearts... Vivid in our memories!

“ My deepest sympathies from my family to yours. I started working with Vic in 2005. Vic, Dallis, Reggie and I would have great conversations and good laughter in the office. The best feeling was getting Vic to laugh. When Vic and I completed a job he would always say "Well, I thank you very much" and I would thank him also for helping me complete the job, I will miss hearing that from him. Many blessings in this time of sadness.

“ Vic was part of a special UOP team. He excelled not only as a highly rated Electrician, but as a generally wonderful person. Vic had a lot more to give and will be missed by all that new him.
My condolences and prayers to vic's family.

“ I learned of Vic's passing today. Deepest condolences to the family on the loss of a warm and welcoming person. I knew Vic only slightly from our years at the UOP-Riverside site. We would always say hello to each other in exactly the same way; "Hello Vic!", to have a bit of fun with our same names. He was always smiling and a very positive guy. He will be missed. warmest regards vic patton

“ My condolences and prayers go out to the McGuire family at this time in the loss of Vic. I came to know Vic when we worked at the same site. We joked with each other about having the same first name. Vic was a humble guy and easy going.

“ I worked with Vic for over 36 years, and not just coworker but definitely one of my best friends as well. One of the very few people I have ever known that never complained about his life, never had a bad word to say about anyone, and never let life's problems bring him down. He will be missed by many, another great person who has left us far too early. I am sure he will be met by family he has missed, as well as many friends that will be waiting to welcome him home again. All of us will miss him, but wish him the very best on the next part of his journey.

“ I worked with Vic for just under 34 years. He had an infectious smile and was a great guy. The last few months I would sit with him at breaktime and have a cup of coffee and we would talk about the old UOP. I will miss his smile and our talks
God hug his family and friends and give them peace
