For we know that if our earthly tent we live in is destroyed, we have a building from God, an eternal house in heaven, not built by human hands. ... For while we are in this tent, we groan and are burdened, because we do not wish to be unclothed but to be clothed

instead with our heavenly dwelling, so that what is mortal may be swallowed up by life. Now the one who has fashioned us for this very purpose is God, who has given us the Spirit as a deposit, guaranteeing what is to come.
