“ *I wanted to tell the family that I think Mrs. Thomas is a beautifully perfect example of the limitless possibilities Almighty God has endowed man with. All they need to do is try and they can accomplish much. I too have a love for secretarial work. As an Executive Secretary by trade, education has always been and still is first and foremost in my life. October is a sad time for me because this is when I lost my mentor, my father. Man's greatest enemy took him on October 1, 2006. He served in the Army and learned 6 languages (Spanish, French, German, Russian, Italian and Creole). He was an accomplish teacher at Malcom X College. During his 14 yrs there, his students never lost one competition. To me, however, his greatest accomplishment was when he started to display his long held belief that there was an Almighty God. However, the effects of cancer cut his interest short. I look forward to the time when Almighty God will fulfill his son's (Jesus) words at John 5:28,29. Maybe you can find these words to be of encouragement and comfort to you as they are for me.
