“ When I think of Ametta, her smile always comes to mind. She was consistently happy, sweet, thoughtful, and respectful everyday and to everyone. She always made sure that no matter what she was going through she never let it reflect on the outside. I will never forget one of our conversations on the elevator one day. She told me to never let anyone make me feel bad because I am friendly and nice, it isn't many people like us. But guess what ? She was wrong, because I still haven't met anyone like her yet. This place will never be the same without her.

“ I worked with Ametta at Old Republic and her smile and laugh were infectious. You couldn't be in a bad mood around her. I am thankful to have known a great queen.
