

Mr. Andre Williams

March 19, 1954 - December 19, 2022

Andre Williams was born March 19, 1954, in Chicago, Illinois, to the union of Armenia and Emanuel Williams. Andre received his formal education at St. Michael Central High School in 1972. He served in the U.S. Air Force, receiving his honorable discharge for service.

Andre met the love of his life Margaret; they were married on November 11, 1978. Andre was a fantastic lovable husband and a wonderful Dad; he was very caring and always there for his wife, Margaret. From this union, they had five sons and two daughters.

To his children, Andre was the best Dad, a great example of a father, husband, and man. Happiness was treasured in every aspect of his relationship with his children, whether outdoors using his B.B.Q. "pit" or indoors playing cards.

Andre believed in the resurrection and wanted to dedicate his life to Jehovah. Before his illness, he attended Kingdom Hall meetings frequently. Even during his illness, he and Margaret participated in the meetings virtually until his passing.

Andre loved sports. He dedicated his time to the neighborhood youth as a baseball and football coach at the local YMCA. He also loved fishing and often

took his family on trips to see what they could catch.

Andre fell asleep in death on December 19, 2022, at 12:30 p.m. in the presence of his wife, Margaret. He was preceded in death by his father, Emanuel Williams, his mother, Armenia Williams, and his son Robert Boyd.

He leaves to cherish his memory: his beloved wife, Margaret Williams; his children Maurice (Dina), Leon (Valerie), Lorenzo (Amanda), Andre Williams-Harris, Andrea, Renee, and Andre II; brothers Emanuel and Raymond; sister Lorraine; 28 grandchildren; 11 great-grandchildren; a host of nieces and nephews.

“ *I remember when I was in 3rd grade. It was my birthday. I was sitting in my classroom when the other students started giggling and pointing at the door - I turned to the door and there was my dad standing there with a BIG Minnie Mouse balloon - the balloon had arms and legs - my dad said "this if for you princess.*

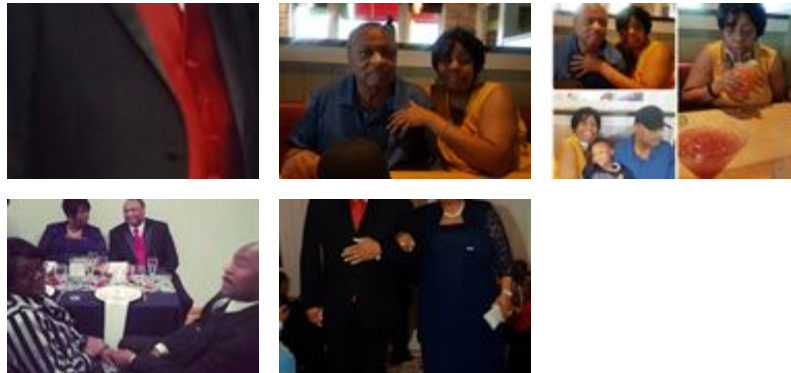

I miss my dad so much - a piece of my heart is now missing - DAD I LOVE YOU SO MUCH. Thank you for being such an amazing dad. Love you Dad.

Renee (Funny Eyes) - that's what he called me.

“ I remember that my dad had purchased a blue family conversion van, that was blue, with a picture of the bright yellow sun, over clouds and mountains. We got up one early morning, loaded up the van and headed on a family fishing trip, my brothers and I weren't even preteens yet. We were out in the early morning air, getting ready to go to our spot to fish. My dad would take "Shorty" (Robert) with him cause he wasn't old enough to fish by himself, and my other brothers and I would head off to our area, we could all see each other. My dad and "Shorty" were catching fish (Dad was catching most of them), my brother and I caught a few, when it started to rain hard. Therefore, we started gathering our things to get out of the rain, however, it had become very muddy around the van. Unfortunately, these were the days of having "read wheel" drive, not "all wheel" drive and my dad is trying to get the van out of this muddy area. So, he has this brilliant idea, that we should all get out to assist him with pushing the van, while my Mom gets behind the wheel (Still SMH). Here we are, it's my dad, Maurice, Lorenzo and I, we're pushing the van, and my dad said, "Give it some gas"! Next thing you know there's mud flying every where and we're all covered in mud, laughing as my dad is looking at our mom as she looked out at us in the side mirror. It's a memory that we all laughed about over the years and shared with others. Oh, by the way, my dad, was the one who got us out of that mud, laughing at our muddy selves.
