

## Anise Temple

April 3, 1941 - September 8, 2019

Anise Washington was born into this world on April 3, 1941, to Rufus Washington and Ida Bell Gilson. Anise grew up in Sunflower, Mississippi, where she graduated from Coahoma High School in 1958.

The family moved to Clarksdale, MS. There she met her future husband Cal. They fell in love and moved to Chicago, Illinois, where they married in 1964. She was a loving and devoted wife and mother to her husband Cal and their four children Calvin, Christopher, Shounta, and Linda.

Anise gave her life to Christ at an early age. She was a faithful member of the New Nazareth Missionary Baptist Church in Chicago, IL. She served on the nurses board.

Anise worked various jobs, most notably at Meystel's Warehouse in Chicago, IL.

Anise's kind and warm spirit made people want to be around her. Her passions were God, family, and friends, in that order. She knew how to tell a joke and when to give advice or a needed hug. Her interests include drawing and spending time with her family.

After a lifetime of love and commitment to her husband and family, Anise

Temple made a peaceful exit from this life and went to be with the Lord on September 8, 2019. She was preceded in death by her parents Rufus and Ida Bell Washington and her brothers Johnny and James Washington.

Anise leaves to cherish her memory, her husband Cal; sons Calvin (Nicole), Christopher (Miyoshi), and Shounta; daughter Linda (Derrick); her grandchildren Marquee Jr., Tatiana, Maxine, and Samuel; great grandchild Jamaree Lee; sisters Ruby Kemp and Velma Jean Brown; her brothers Sylvester Washington, Rufus Washington Jr., and Willie Washington; as well as a host of in-laws, cousins, nieces, nephews, and friends. If there is anyone we forgot please charge it to our head and not to our heart.

“ Mom I miss you so much. This holiday season has been so hard for me. When I was living at home I would sit up with you for the holidays and help you prep. Peel this stir that cook this. You taught me so much. When I got older I would cook the entire Thanksgiving meal and have you all over to give you a break. I used to love helping you and it is so many memories, you were my bestie all the way to the end. I think about walking with you in your shoes everyday from the first day you were diagnosed with breast cancer until the end all of our private talks in the car and in the doctor's offices, all the laughs and all the advice. I think about feeding you your last two meals in the hospital and how much you enjoyed it. Thank you for all the memories. I love you and miss you so much

“ Hi Mom. It 4 in the morning on Monday and can not sleep. The other day Dad wanted me to add vegetables to his soup and while I was peeling and cutting up carrots, I thought about how you taught me how to prep and cook at 9 or 10 years old. I just wanted to say thank you mom. I miss you so much. You were like a big sister to me. Love you always❤️

“ Mom was beautiful, funny and artistic. Mom loved her family and she was the glue that held us all together. I know she is in a better place but there will never be a day, hour, minute or second she isn't missed. The hole she left in my soul will never heal, the crying wont stop and the sadness will never go away.

*Mom i miss you, wish you were here with me*
