“ I remember all the good times that we had. When you all lived around the corner from us. Tonya, You and me use to sing our song. Whip a peal by babyface. That was our song, I know that you are gone but I will forever have the good times that we had in my heart. It's sad that you left us but even sadder that you left on my birthday and 3 and 4 days before your daughter and other cousins birthday. But at the end of the day just know that you are really loved by me and by all. Love Always, Jenny##imported-begin##Jennifer##imported-end##
