“ *Hello:I did not know Brenda Rivers personally but I was sorry to read of her death. Please accept my sympathies.The scriptures at John 5:28-29 reads "the hour is coming in which all those in the memorial tombs will hear his voice and come out. Those who did good things to a resurrection of life." This scripture provides hope that one day we will get to see our dead loved ones again.You may ask yourself, is this resurrection heavenly or earthly? If you would like to know more about the resurrection that the bible speaks of you can contact me via e-mail.##imported-begin##Addean##imported-end##*
