“ *People never knew just how much he meant to me and youThey knew him by name, but it's still not the sameHis eyes so bright, his smile so wideWe always let him know we were right there by his sideNow he's gone from me and youNow we have no reason to be blueWe loved him, he loved usAnd we have to try not to fussWhy does God take the best to loveUp to that great big world up above? His memory will never leaveHis kind and gentle smile will always be seenNever forget him, never let him leave your mindTell him you love him, just one more time.##imported-begin##Takeyla Anderson##imported-end##*
