

## Bryan Darnell Stacker

October 19, 1983 - June 27, 2014

Bryan Darnell Stacker was born October 19, 1983, to the union of Willie and Matilda Stacker in Chicago, Illinois. He graduated eighth grade as Valedictorian from Bond Elementary School and graduated from Neal Simeon High School in 2002 with a Vocational Certificate in Machinery.

Bryan studied the Bible with Jehovah's Witnesses and after obtaining an accurate knowledge of the Bible, he dedicated his life to Jehovah and symbolized that dedication through water baptism on January 19, 2002.

While attending Simeon High School, Bryan met the love of his life, IceSander Sanders. In 2005 Bryan and IceSander were married and their union was blessed with two children, Bryanna and Bryce Stacker.

He worked tirelessly to care for his family by using his vocational skills in various employment opportunities. He was employed at Nestle for the last several years as a Mixer.

Listening to music, whistling a tune, humming a beat and knowing every lyric to every song, were things Bryan could be called on to do in an instant. Cars and music were his passion, but his favorite pastime was being a husband and father.

On June 27, 2014, Bryan Darnell Stacker fell asleep in death. His family looks forward to the fulfillment of Isaiah 25:8 where death will be swallowed up forever. He was preceded in death by his mother Matilda.

Bryan leaves to cherish his memories, his loving and devoted wife, IceSander; daughter, Bryanna and son, Bryce; role model and loving father, Willie Stacker; two brothers, Dejuan and his twin, Brandon; a loving sister, Brittney (Matthew) Collins; and a host of nieces, nephews, aunts, uncles, cousins, and friends too numerous to mention.

“ *I am so sorry for your loss, I knew Bryan while at UPS. And he was always so helpful, and so sweet. He would sing songs to keep the moods up and bring a smile to your face. When he needed a ride or I needed a ride home from work he would have my back. He loved his family and was ready to go help at the family restaurant when he got off from UPS. I am saddened that he had to leave so early, may God comfort his wife and babies as well as his entire family. God bless you all.*

“ I send my deepest sympathy to the entire Stacker family. Do not forget the wonderful times that you shared with him. Please find comfort in knowing what the Bible says about God’s yearning to bring Bryan back to life again: “If an able-bodied man dies can he live again? All the days of my compulsory service I shall wait, Until my relief comes. You will call, and I myself shall answer you. For the work of your hands you will have a yearning. (Job 14:14, 15)
