“ *So sorry to learn about Caprice! I fondly remember the times i would come over to play with Jacquet, and she would always say we were being too loud, even though we tried so hard to be quiet! Looking forward to welcoming our sister back in the paradise. May Jehovah prove to be a source of comfort and strength for you all.*

“ *Caprice, you will be missed so much. When I first came to Southtown, you and Steph were the first to welcome me and bring me in as family, and when I left you was there again for me. I know you are in God's memory and will hear Jesus call to raise. Rest just a little while longer, my sister.*
