“ *I saw the joy little Cymone brought to your family particularly her auntie Deangela. "Gone too soon." However, she is safe in God's loving memory. At his time she will enjoy life again but without the suffering imperfection gives us now. It is up to us to be on hand to meet her again. 1Timothy 2:3,4John 5:28,29 O joy of joys, what grand reunion! Until then we pray to experience the comfort, hope and peace God provides thru the Bible and each other. Dear family, I continue to pray for your peace of heart.##imported-begin##Cassandra Hill##imported-end##*

“ I am so sorry to hear of the lost of your family member. I can only imagine the sadness that you are currently experiencing. Yet something that helps me deal with the pain of losing a loved one is a bible promise at John 5:28, 29. There in God's word, we are promised that there will be a resurrection. Thus Jehovah God promises that young Cymone will be resurrected back to life. Yes, she will live again! Remember death was never one of God's purposes for mankind. Thus Jehovah provided a way out from death by means of his son Jesus Christ. Thus in God's eyes, Cymone is just sleeping awaiting to be brought back to life as Jehovah had promised! “ To Chanel, Debra, and DeAngela, I'm so sorry for your lost guys, words just simply won't come. The loss of a child is the most painful hurt there is. I will keep you all in my prayers cuz only Jehovah's love and mercy can comfort us from this pain!!! Love you all, Linda##imported-begin##Linda Larkin##imported-end##

“ I am deeply sorry to read of the tragic loss of little Cymone. Please take comfort in knowing that soon you will be able to see her vivacious spirit forever. Revelation 21:3,4 promises that very point. However until then take comfort that our Creator cares about your suffering personally. Psalm 34:14##imported-begin##Victoria##imported-end##
