“ I send my deepest sympathy to the entire Bulliner family. Do not forget the wonderful times that you shared with him. Please find comfort in knowing what the Bible says about God’s yearning to bring your loved one back to life again under the very best of conditions right here on the earth: “If an able-bodied man dies can he live again? All the days of my compulsory service I shall wait, Until my relief comes. You will call, and I myself shall answer you. For the work of your hands you will have a yearning.” (Job 14:14, 15)

For more comfort please go to <https://www.jw.org/en/video-why-study-the-bible/> and then search for "When Someone You Love Dies" Brochure.
