“ *It's hard to believe it's been a year since "Don-Don" passed. I miss him greatly. His sense of humor and kindly demeanor are greatly missed in this ole crazy world we live in. He provided us a great source of comfort. I hope I have the privilege of being there to greet him when he returns in the Resurrection. I'm sure he'll have lots of questions about what took place while he was away and I'll most gladly provide the answers. 🙏*

“ I guess no one feels like writing anything about Don Don but hopefully, that'll change soon. Don Sr. is a great guy and I'm not just saying that because he is my brother. Just ask his family and friends. Now I'm waiting for him because all those in God's memory will live again right here on earth. I've just got to do my best to make sure I'm there (Luke 20:38, Revelation 7:9).

“ I'm going to miss exchanging all of the funny memes we created. All the conversations, the times we hung out. Knowing the next time we talk that you'll be my spiritual brother as well as my blood brother is something that I'm really looking forward to. Soon my brother. Very soon!
