Donte'

I remember when you were brought to Michigan for a family reunion, you were a baby at the time and I carried you all over. I fed you, changed you, even rocked you to sleep. It was a pleasure to see you grow up to the man you were today. You loved to rap, cut hair, and be around family. You will be missed dearly. We will all see you soon! Until then take your rest.

Love your cousin Michelle!

My eldest son, whom I miss soooo badly, I miss you sooooo much...Word cannot explain how I feel. I miss your wise words of encouragement, I miss that you always gave logic to something that was foolish. As I sit here and tears roll down my face a knot in my throat.....I love you for who you was my son
