“ *My sincere condolence to the Burke and Panama Family. May Jehovah comfort you all during this difficult time. We can all look forward to the time when as JESUS himself promised: "all those in the memorial tombs will hear his [Jesus] voice and come out...". All those asleep in death will wake up in the very near future according to this promise. I will keep you all in my prayers.*

“ *You have my deepest condolences.*

When you have a moment, please read Isaiah 25:8 and Isaiah 41:10. I hope these words will provide a measure of comfort for you as they have for me, when I lost my Father in 2004.
