

## Eric Jones

June 15, 1965 - December 5, 2020

Eric Jones was born June 15, 1965 in Chicago, Illinois to the union of Mary Jones and Eugene Brownlow.

Eric attended the Chicago Public School System and graduated from Marshall High School. His love of music led him to attend Columbia College where he obtained a degree in Broadcasting.

Eric was quiet, thoughtful, and kind, who enjoyed solitude but could tell a good joke. His love of family and friends was evident in how he treated his nieces and nephews.

He enjoyed sports, his team was the Bears, win or lose he was a true fan. Fancy restaurants or neighborhood gems Eric loved food and sharing with others his experience by posting pictures. Mention his name and a smile comes to the faces of those who knew him.

On December 4, 2020, Eric Jones fell asleep in death. His family looks forward to welcoming him back to a paradise earth where there will be no sickness or death. He was preceded in death by his father, brother Glenn Jones, niece Dominique Jones and sister-in-law Theresa Jones.

Eric was a good man. His family wants you to know he was loving that they

will remember the good times they shared with him and that even now when their hearts are breaking at losing him they know he is at peace. And because no one knows what tomorrow brings, don't take life for granted and never put off until tomorrow what you can do today.

Eric will be missed by his loving family, but especially, his mother Mary Jones; siblings Connie Ray (Tilda), Ronnie (Jana), Michelle, and DJ (Valarie); only uncle Clarence Smith; four nieces, five nephews, and and a host of relatives and friends too numerous to mention.
