“ To the family of Eugene Bryant Jr., I extend heartfelt sympathy to all at this time of sadness. The world we live in today, is filled with sadness, death and all sorts of things that causes grief and suffering. God's word the Bible can provide each of us a measure of comfort as we cope with the hurt of the enemy death. For example at Revelation 21:3&4, here it tells us that soon all pain, suffering, and death will be no more. John 5:28&29 speaks of a resurrection of life soon to come. Just imagine the day when you will be able to welcome back Eugene and others in perfect health on a paradise earth. This and more are a reality that our Creator will fulfill in the future. Please give thoughts to these verses from your Bible and allow it to help calm your hearts.
