I couldn't hear your voice at all,
but I heard every word that was spoken
I sat with you today you know,
Calm, but yet so heart broken.....
I know you follow me around,
I have known it from the start,
But sometimes I am afraid to look,
So heavy is my heart.....
I often feel you touch my face,

why some things happen as they do
for so much joy and happiness
was centered around you
It seems so hard to comprehend
that you're no longer here
but all the happy memories
will help to keep you near
You're thought about with a life. Son

Uncle
Of all the many blessings
However great or small
To have had you for a uncle
Was the greatest one of all.
The family chain is broken now
And nothing seems the same
But as God takes us one by one
The chain will link again.
