

Mr. George Grant

February 1, 1945 - September 5, 2021

George Edward Grant was born on February 1, 1945 in Alexander, Arkansas.

George began working at an early age and enlisted in the Navy at 17 years old. He was trained in many functions in the Navy, but he was most proud of being a “singalman” which he was able to master due to his time in the Boy Scouts as a child.

During his time in the Navy he visited many ports of call aboard the USS Wright and USS W.L. Lind. He later moved to Chicago, IL after receiving an Honorable Discharge from the Navy. There he met a woman who join him in union in 1973. They gave birth to and the two also shared parental responsibility for George’s first born.

George received his electrical license, but he retired as a truck driver after nearly 40 years. After retirement George did what he loved so much which was gardening in his back yard every year. Most of all he enjoyed talking to his two daughters about his travels and time in the Navy, family history, and his roots of Alexander, AR.

George was preceded in death by his parents, his wife, two sisters, and two brothers.
