“ I was looking at the obituaries and saw Mr. Williams'. He seemed like a nice man. I do this around this time of the year because my dad dies October 1, 2006, so I think about especially during this time. McCullough did a great job with his body. I know that this time is difficult for you and I was hoping I could share with you something that gives me a little solice. I like to read John 5:28,29. Jesus' promise here let me know that I will see my dad again and then I can tell him how much I love him again. To remind myself that this is true I also read John 11:1-45. I ask myself: "If Almighty God can give Jesus the power to do this on earth, then surely Jesus can do it from heaven, ruling as king of his father's kingdom!" Yes, I get encouraged by this scriptures. Being one of Jehovah's Witnesses, I have learned why good people die, but I also have learned what Almighty God is going to do for them soon. I hope that these scriptures can bring you a little more comfort as they do me. With Sincere Sympathy, Sharon Martin###imported-begin##Sharon Martin###imported-end##
