“ *Hello:I did not know Mr. Barnes personally but I was sorry to read of your loss.The scripture at John 5:28-29 in part states "the hour is coming in which all those in the memorial tombs will hear his voice and come out. Those who did good things to a resurrection of life"These verses give us hope that we will see our dead loved ones again.If you would like to learn more. You can contact me via e-mail.##imported-begin##Addean##imported-end##*
