

## James David Moore

October 13, 1966 - November 1, 2012

On October 13, 1966 a blessing came from God and was given to Naomi Moore and Curtist Smith. He was given the name James David Moore. James was his mothers only child.

James education commenced at Ward Elementary, Rose Land High School, and later at Dailey College where he majored in Business. As a youth, James became a member of Trinity Episcopal Church where he remained a loyal member through the years.

James worked in the security field. This was his way of getting out his authoritative side that anybody rarely saw.

James had a great love and passion for his family, especially his mother and daughter who doubled as his twin.

James decided to broaden his horizons in June of 2010 and moved to Las Vegas, Nevada. He returned home to visit making most of the family events, his birthday and for Thanksgiving. He was planning to come home for his birthday, but started feeling ill, so he didn't make it here to celebrate it with us. But because his birthday was always such a special occasion, no matter what else was going on, he still celebrated and had a ball.

On Novemeber 1, 2012, God took James under his care. We needed him, but God had a greater need then our's.

James leaves to cherish his memories, his mother, Naomi Moore and his father, Curtist Smith; a daughter, Louise Kimberly Jamison; two sisters, Mozell Smith and Tina Smith; two brothers, Curtis Pittman and Eric Louie; aunts, Carolyn Clark, June Davis, Janice Hampton, Barbara Wilson and Tracey Ferrell; uncles, Charles Moore, Earl Smith, Leon Smith, Otis Smith, Myles Smith, Jeffery Smith and Alonzo Smith; a favorite cousin/second mother, Barbara Durham; and a host of other relatives and many, many faithful friends.
