“ *I met Mrs. Reed when I was 10 years old. She worked for my family and she and my mom became good friends. Mrs. Reed was very special to me as well. I am in my fifties and thinking of her makes me smile. I don't know why she had to move away and in my day, children were not to ask questions. I wish I could have told her that I loved her. She was like an Auntie to me. She touched my life and her loving memory will live in my heart.
Soar with the angels Mrs. Reed. 🙏
Love,

“ *My condolences to the Reed family. The loss of a loved one is one of life's most greatest challenges. May the God of all comfort be with you during this difficult time. He promises to swallow up death in the near future -Isaiah 25:8.*
