

Joan Marie Lewis

December 25, 1946 - January 16, 2014

Joan Marie Lewis was born December 25, 1946 in Chicago, Illinois, the 3rd of 6 children. She was raised under the union of Ulysses "Doc" and Alice Bennett.

She acquired her Bachelors degree from Chicago State University in the field of Social Services and went on to excel in the Customer Service industry.

After a careful study of God's word, Joan dedicated her life to Jehovah and symbolized her dedication through water baptism in 1973, becoming one of Jehovah's Witnesses. Joan loved the field ministry and teaching others about God's kingdom was a passion. Even when Joan found herself unable to participate in the door to door field ministry she continued to spread God's word by witnessing via phone and mail. She remained loyal and faithful until the end.

Joan was a woman of many talents, she played the violin and was a true do it yourself person when it came to her home, but her most extraordinary talent was her ability to touch the lives of others. From babies to the elderly, family to strangers, infirm to perfectly healthy, she had an effortless way of making her way into your life and into your heart simply by the genuine care and concern she showed towards people on the daily basis. She has been mother, aunt, sister, grandmother, friend and so much more to so many people.

After a long battle, Joan succumbed to her illness on January 16, 2014 and leaves to cherish her memory: (1) son, Vincent Lewis; (1) daughter, JoNae Lewis; (2) sisters, Sarah Hall and Yvette Lewis; (1) brother, Robert Lewis; (1) brother in-law, Arnett Lewis; (2) sisters in-law, Hallie Mays and Lynn Lewis, (1) daughter in-law, Sonja Lewis, (1) granddaughter, Diamonique Lewis; (3) grandsons, Jamall Lewis, John Martin Jr. and Joseph Martin; (10) nieces; (2) nephews; (14) great-nieces and nephews; and a host of other relatives and friends. Joan's absence will not go unnoticed.

“ *I would like to express my sincere sympathy to the family of Joan Lewis, she will surely be missed her smile, always asking about the welfare of others. She and her son she called him "sugar" back in the day would always come over to Sister Lofton's house on Colfax we had some good times. I long for God's Kingdom ruled by his son Christ Jesus, and when "no resident will say I am sick"!*
