“ *I went St Xavier with John and helped him get hired at Merrionette Park PD. I spent a lot of time with him at the Harrigans Pub, ski trips and hanging out at his parents house in my college years. So so sad, I will miss him.*

*John and I became friends at St. Xavier. He and I sang in concert choir and in magridal together, which was quite a nice honor to be selected. He had a beautiful voice. I just learned of his passing through another SXU friend, and am saddened to hear of this loss. John was a good friend during my college years, and I only have fond memories of John.*
