“ *To the Family of Johnnie Taylor, I am so sorry for your loss. The death of a loved one is never an easy matter for any of us to cope with, but we do have the assurance of our Heavenly Father that he will comfort us in all our tribulations. (Psalms 55:22) Death was never a part of the Creator's purpose for mankind, so, he has furnished a guarantee by means of his Son, Christ Jesus, that we will see our loved ones again. (Acts 24:15; John 5:28) I pray that you may draw comfort from these words.*

“ *Johnnie was the best brother in law you could ever ask for. He was a good, caring friend and he will always be loved and remembered in my heart.*

When I got my first car he showed me how to check and change the oil, how to check the tire pressure and made sure I knew a few things about the car. He laughed when I brought home my first paycheck complaining about the FICA and all the other deductions were being taken out. I had no clue why these people were dipping into my hard earned money. After laughing he explained to me what it was all about. He will truly be missed.
