“ *Dear Love and Brisker family:I did not know Kaye personally but I was sorry to read of her death. Please accept my condolences.The Bible promises at John 5:28 and 29 that "the hour is coming in which all those in the memorial tombs will hear his voice and come out. Those who did good things to a resurrection of life."I'm sure you look forward to that time as I do.Best,Addean###imported-begin###NULL###imported-end##*
