“ *A Letter From Heaven*

*When tomorrow starts without me
And I'm not there to see;
If the sun should rise and find your eyes
All filled with tears for me.*

*Please don't cry
Or hang your head in dismay;
While thinking of the many things
We didn't get to do or say.*

*I know how much you love me
As much as I love you;
And each time that you think of me,
I know you'll miss me too.*

*When tomorrow starts without me,
Don't think we're far apart
For every time you think of me,
I'm right there in your heart.*
