“ *To the Barber Family; I'm so sorry to have read of your loss. Please accept my sincere condolences. Something I have personally found to be a great comfort is what the Bible says; God is the Creator of life (Psalm36:9) The one who gave life to all living creatures is certainly capable of restoring life to someone who has died. Revelation 21:4 show us that soon God is going to bring about a resurrection of our loved ones. Knowing this will bring you comfort and peace. chill*

Just a little while longer and we can look forward to the promise Jehovah made at Isa 25:8. Jehovah is good! He sends us comfort when we need it. Jehovah loves you and I do too.
