“ *Dang daddy. I miss you more everyday. I never knew this day would come so soon but I/we made sure we were always good. Living without you is so strange. Not a man of many words but always knew what to say. So many times I've almost picked up my phone just to hear your voice and... I just remind myself that you're always in my heart. RIP daddy. You were my hero and now you're my angel.*

*I miss you but now I'm just Looking forward to seeing you again. 💕*
