

## Mr. Leroy Percy McGrew Jr.

April 17, 1956 - September 27, 2021

Leroy Percy McGrew Jr. was born on April 17, 1956, in Chicago, Illinois. Leroy is one of nine children.

Leroy Percy McGrew attended Lindblom Technical High School in Chicago, Illinois. He left school in his senior year to join the United States Marines in 1974. Leroy accelerated in everything he did in life. Leroy met his wife during his brief employment at Nabisco. They were married in 1978 spending 43 years together. They accepted Christ later in life. He enrolled in Washburne Trade School where he became an Electrician, someone you wanted to know. He was self-employed for many years and worked also at Technicolor (California) along with his wife.

We must mention Leroy had a best friend that he could count on in good times and especially in the bad times. I don't think he was on speed dial, but he showed up during hard times as if he was. He set the meaning for the word 'FRIENDSHIP' someone that you could count on no matter what.

I must mention Gizmo that little shihtzu that gave Leroy's life so much joy when he was not feeling well, Gizmo met him at the door on his returns home and though it sounds cliché Gizmo knew how to make Leroy smile as he enjoyed his retirement in Hemet, California. Ironically, this shihtzu was man's best friend to the end.

On September 27, 2021, Leroy departed this life. His parents and his brother, all preceded him in death.
