“ *Hello:I did not know Ms. Flowers personally but I was saddened to read of her loss.I'm sure in her study of the scriptures she read John 5:28-29 which in part states "the hour is coming in which those in the memorial tombs will hear his voice and come out. Those who did good things to a resurrection of life". Those verses give us hope that we will see our dead loved ones again. I hope those verses provide you some comfort during this difficult time. You may contact me via e-mail if you would like to know more about Ms. Flowers was learning from the scriptures.##imported-begin##Addean##imported-end##*
