“ *Dear Johnson family,I did not know Luretha personally but I was sorry to read of her death. Please accept my condolences.When Jesus was on earth he resurrected (brought back to life) Lazarus and others so we can have full confidence that the promise stated in John 5:28, 29 will be fulfilled.The Scripture states, "the hour is coming in which all those in the memorial tombs will hear his voice and come out. Those who did good things to a resurrection of life."I know you look forward to that time as I do.Best,Addean###imported-begin###NULL###imported-end###*
