“ *I did not know Margaret personally but I was sorry to read about her death. Please accept my sympathies.I have found comfort from the scriptures at John 5:28-29 which in part states do not marvel at this because the hour is coming in which those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life and those who did vile things to a resurrection of judgment.I hope that you find comfort in the scriptures as well.##imported-begin##NULL##imported-end##*
