

## Ms. Natalie Woodall

November 1, 1958 - September 27, 2021

Natalie Woodall, “Nat”, was born on November 1, 1958, in Chicago, Illinois.

Natalie was a beautiful, talented, adventurous woman who loved to live life. After graduating from Caldwell Elementary in 1972, she went on to Bowen High School where she received her diploma in 1976, and ultimately went to Columbia College and earned a Bachelor of Arts in Fine Arts.

Natalie loved to dance, she traveled abroad to Paris, France to dance alongside her close friend in a dance troop which she highly enjoyed and bragged on throughout the years. She was a model, a backup singer, and an artist, and she was proud of her accomplishments! But what she enjoyed the most in her later years is spending quality time with her 3 “girls” and watching her grandkids play. She spoke the truth! Which wasn’t always easy for others to hear but we all have that one “brutally honest” person in the family and that was Nat. But just as she was honest, she was empathetic, loving and sensitive which made her easy to love. Her favorite restaurants were Docks and Goose Island and she enjoyed time outdoors enjoying nature’s beauty.

Please remember Natalie for her beautiful soul, amazing strength and resilience. She lives on forever in our hearts.
