“ *When the enemy death strikes, your grief can be great. How comforting it is to know that God did not intend for man to die. He for that reason reassures us that the dead will live again and the meek ones will possess the earth. Found in the Bible books of Psalm 37:29 and Isaiah 26:19. Having strong faith in God's promises will carry us thru until that day becomes a reality.##imported-begin##Debra S.##imported-end##*
