“ Hello, My name is Sharon Martin. I was looking through the obituaries and read Mrs. Griffin. I just to tell you Amen, this is a wonderful tribute to her. This year, I lost my spiritual father at the age of 91, and man's greatest enemy has a hard time but finally overcame him. On Octoer 1, 2006, I lost my dad, so this is an epecially hard time for me. However, as I read Ms.Griffin's obituary, I am thankful that you put the blame where it belongs. I also can't help but to remember Paul's words at 1 Corinthians 15:26. Then, once Almighty God has Jesus to do it, he can have Jesus to fulfill his promise to us at John 5:28,29. To remind myself of how true this promise is, I love to read John 11:1-45. I then ask myself: "If Almighty God can Jesus the power to perform this miracle here on earth, think about what he can give Jesus the power to do from the heavens as king of Almighty God's Kingdom. As one of Jehovah's Witnesses, my studies have allowed me to learn my things such as why good people like Mrs. Griffin must die. However, the greatest thing I have ever learned and believe and teach among many things is what he is going to do for all good people in the near future. I hope that these scriptures help comfort you and they do me. With Sincere Sympathy, Sharon Martin###imported-begin##Sharon Martin###imported-end##
