“ *Wow, in trying to track down my dear friends Angelo and Renell I came across this sad news, I remember those two movin on up, Angelo crazy about those girls of theirs and Renell the perfect mother, they later had problems but the greatest thing I remember was how they had each other's back, me my girl and Angelo and Renell went to this night club in Dalton called Nimbus, the one thing that he would never allow was anybody to disrespect Renell, now Angelo was 6'0 ft And slight muscle with wide shoulders and A temper if you stepped out of your lane, this big dude and I mean big 6'3 and built like a tank, asked Renell to dance and Like she always was, she politely Said no, well that was where he should have left it BUT no he had to call her a stuck up B*#*h, well Angelo being Angelo didn't let that boat float away, he turned around as the guy was walking past him and grabbed a hand full of the guys privates, the guy howled like a scolded dog, 'what did you call her?' He asked the guy and he slapped him, OMG I thought, APOLOGIZE! They guy was sweating and in pain, he said 'sorry' Angelo said, 'Not to me to her' he turned and apologized to Renell, Angelo still had the guy in a vice grip and I remember Renell saying 'Trotter let him go Babe' he said he was sorry, by now Angelo was jacked up on adrenaline and ready to go, the Renell said 'babe' and she had him under control, I thought the guy was gonna try and fight after T let him go but he got the hell outta there, the closeness that they had at that moment always stuck in my mind, it was as if they were one, I miss hanging out with both of them and my condolences to all, Renell was always ready to join in the conversation, quick to laugh at a joke and just a great person.*

“ *I'm not sure of what made me think of you today... Of our home and our family. But I miss you Gran-Granny. And I love you.*

“ RENELL WHEATON, BOY AM I NUMB. I FOUND OUT ABOUT RENELLS PASSING ON THE FIRST DAY OF THE NEW YEAR AND IT HAS LEFT ME VERY SAD FOR EVEN THOUGH I HAD NOT TALKED WITH HER OFTEN I THOUGHT OF HER QUIT A BIT. RENELL WAS A WONDERFUL MOTHER TO OUR TWO DAUGHTERS AND I AM SURE A FATHER ALSO IN LATER TIMES. SHE WAS A MOST AMAZING PERSON WHO COULD CHANGE THE DRABNESS IN A ROOM WITH HER LAUGH AND HER WIT. SHE WAS ALSO A PERSON WHO WAS ALWAYS GROWING AND TRYING TO REACH A LITTLE HIGHER. SHE LOVED TO GIVE OF HERSELF IN AN EFFORT TO HELP OTHERS. THE LAST TIME I HEARD FROM HER WAS A LETTER I HAD RECIEVED A FEW YEARS AGO AND THOUGH I RECIEVED IT A FEW MONTHS LATE DUE TO MY TRAVELING BACK AND FORTH I WROTE BACK TO HER BUT NEVER RECIEVED A RESPONSE. I ALWAYS WONDERED WAS SHE IN TROUBLE OR WAS THERE SOMETHING WRONG BUT NOW MAYBE I HAVE THE ANSWER, I WISH I COULD HAVE SAID 'HEY RAE' ONE MORE TIME AND SAID SOMETHING SILLY TO MAKE HER LAUGH, SHE ALWAYS LAUGHED AT MY SILLY JOKES, BUT THAT WILL NEVER BE NOW. I WILL FOREVER REMEMBER THE GOOD THINGS, TRAVELING, TAKING THE GIRLS HERE OR THERE AND JUST WATCHING HOW SHE RELATED TO THEM AS A MOM, SHE WAS WONDERFUL WITH OUR GIRLS AND THEY WERE ADORING OF THIER MOM AND OF ALL THE BILLIONS OF YEARS OF TIME GOD MADE IT POSSIBLE FOR HER TO BE THIER MOM AT THE RIGHT AND EXACT TIME IN A UNIVERSE FULL OF RANDOM POSSIBILITIES AND I TOO WILL BE FOREVER GRATEFULL THAT SHE BLESSED PART OF THE CANVESS THAT IS MY LIFE BECAUSE I TOO WAS LUCKY THAT OF ALL THE POSSIBILITIES IN TIME OF WHICH WE ALL COULD HAVE BEEN BORN SHE WAS PLACED IN MINE IN THAT MICRO SECOND OF THE UNIVERSE. THERE WILL ALWAYS BE A SPOT IN MY HEART FOR MY 'RAE' MAY YOU REST IN ETERNAL PEACE SWEETHEART. RENELL WAS A GREAT WOMAN!###imported-begin###Angelo###imported-end###
