“ DAVID Green lit a candle in memory of Sharon P. Jamieson

DAVID Green - May 14, 2020 at 12:56 AM

“ One of the kindest, sweetest, generous persons that I was blessed to have in my life. My dear big sister Sharon, who acted like my second mother at times but I always knew that she had my best interest at heart. Her beauty on the inside radiated on the outside, and that is what drew people to her and to love her dearly. She loved to dance, play volleyball, softball and four corners, and did them all with a big smile. She loved shopping and recreating with family and friends, and if she knew that something was wrong she would either call or be there to see if she can help in any way. My dear sister will be missed, but never forgotten. I will love you always Sharon.
