“ *I was going through the obituaries and came across Mrs. Ware's obituary. I can understand the missing of your mother and friend. My father died October 1, 2006 so this is a somewhat sad time for me. However, maybe you can take comfort in something that I read in the bible. At John 5:28, 29 Jesus promised of a resurrection here on earth. When I think of being able to see my father again, telling him I love him again, I feel a little less pain in my heart. As one of Jehovah's Witnesses, my study of the bible has brought me tremendous comfort. Also read the account of Lazarus in John 11:1-45. If Jesus could do that here on earth, think about what he can do from heaven! I hope you can find a little comfort too. Again, I am sorry for your loss. “ *Hello: I did not know Tarlese Ware personally but I was sorry to read of her death. I hope you find comfort in the scriptures at John 5:28-29 which in part states "the hour is coming in which those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life". Please contact me via email if you would like additional scriptures on the resurrection hope.##imported-begin##Addean##imported-end##*
