“ To the family and friends of Mr. Tyrone R. Scott Sr., so sad to read of the death of your dear loved one. The Bible tells us that death is an enemy that brings pain and emptiness at some times to all life but, will have an end. (1 Corinthians 15:26) Death was never part of Almighty God 's original purpose. He created us to live eternally in peace and security. (Revelation 21:4) When Jesus Christ was on the earth, he demonstrated his love and ability to waken those from the sleep of death. Proof of this was done by God empowering Jesus to raise several dead people to life.(John 11:11,43,44) Those who will be resurrected that are dead now, must remain in death until God gives them life again. Job 14:14,15 tells us that, Almighty God yearns to use his power to restore life to the dead. May the comforting promise from the Bible help you to endure.
