“ *We were shocked to learn of the death of William Grant. I remember him fondly while he and I were students at Livingstone College, Salisbury, NC. I, Winfield Crews, recall him as a very serious, friendly student yet he always had a smile on his face. May our loving God comfort the family in this time of sorrow.*

“ *To the family you have my deepest sympathy. May your heart be comforted by the fond memories you have of your father, brother, friend and by the love that he left inside your heart. May it also help to ease your pain to know that others care about your sad loss.*
