“ *My condolences to Bill's family and friends. My father and Bill were friends when I was growing up. I always enjoyed when he came around on his Honda Goldwing because he would let my dad take me for a spin. The last time i saw him was a few years back at a funeral service for a mutual friend. Bill, just like back in the day, was in good spirits and smiling. His light-hearted mood was infectious. He will be missed. -Nate*

“ *I love you and words cannot express how I'm feeling right now. I miss you soo much and I can hear your laugh and your voice calling me dear. I was upset with God because you were suppose to live to 100, but I understand he needed you and you're not in pain. I have my daddy as my angel to watch over me. I love you and miss you Courtney*
