“ *I did not know Willie personally but I was sorry to read about his death. Please accept my sympathies. I have found encouragement from the scripture at John 5:28-29 which in part states the hour is coming in which those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life and those who did vile things to a resurrection of judgment. I hope that during this difficult time you will find comfort in the scriptures as well.##imported-begin##NULL##imported-end##*
